- 12) Please write the numbers 1-5 in the boxes below; with 1 being what you think is most important regarding homework being set every evening.

Children have worked long enough in school and do not need to	
Homework cuts into family time at home	
Homework can be a cause of friction and anxiety	
A lot of school work is done differently to how parents did this when they were at school	
It stops children participating in other activities – sports activities and other clubs
