Message from the Headteacher:

Dear all, I would like to start by saying how lovely it has been seeing all the home learning that everyone has been doing and I am inspired as always at how people have adapted during this situation.

As you are no doubt aware, we are currently looking at the best way to start opening the school from the 1st June, so thank you to all of you who had the chance to complete the survey we sent home. We are looking at the different options and ways of doing this safely and would like to thank you for your patience during this time of transition. I will be in touch again as soon as we have a clearer way forward but please let me assure you that we are working hard to make this transition as smooth as possible.

We are also working hard on setting up the new school year and making sure that everything is in place for children in September - including staff structure, classes and the curriculum and we look forward to sharing this with you in the weeks ahead. We are just looking at our classroom environment and how we can make this even better for children and would like your help! We are currently unable to have volunteers in school but wondered if you had any of the following items which you would be able to spare:

- Palettes
- Wood/ planting box
- Decking wood
- Tree stumps
- Pebbles/ gravel
- Lego base board
- Metal notice board
- Bark

These are some of the things we are hoping to create:

If you are able to help then please let us know so we can arrange delivery or collection. Thank you.

Some of the key stage 2 children who have been with us in school this week, have been working on the mud hit in Pearl's Land and they are doing a great job!

In the meantime I hope you and your family are safe and well.

Sharon Tarr
Headteacher
