

Foundation Online Learning	Class: Hedgehogs/Foxes	Text: You see a circus...I see	Week Commencing: 1 st February 2021
Our priorities for learning this week: - Explore numbers over ten. - Thinking about how to keep clean - Learning how to look after animals.			
You see a circus....I see			
Here is a link so that you can listen to the story any time that you would like! https://www.youtube.com/watch?v=nM6jv--P44M			
Personal, Social & Emotional Development: - Draw a portrait of yourself using a mirror and really focus on your features. What parts of your portrait are you proud of? If you were to do it again, which parts would you have another go at? - Keeping Clean: https://www.bbc.co.uk/bitesize/topics/zbdcy9q/articles/z7dxjnv If you follow the below link it will take you to a page to remind you of how to keep clean and healthy. At the bottom there is a little quiz. If you would like to challenge yourself, see if you can make a list of all the ways you can keep clean and healthy.		Physical Development: This week we are focussing on using and pulling to help with our balancing. Can you watch the video and then see if you can practise any push and pull balances using objects around your house. - You could go to your local park and see how you can push and pull there. - You could use a scooter or a bike to experiment with pushing or pulling. Have a bit of an experiment and see what you can find, take photos and load up your findings onto seesaw. https://www.youtube.com/watch?v=ZLDUrPaLQWE	
Understanding the World: Have a look at the pictures of the wild animals from Madagascar, can you think about how they are feeling? Now look at the other pictures of animals. Can you sort them from animals that may feel happy and animals that may feel sad. As a challenge can you explain how you look after animals that are in and around your homes and families.		Expressive Art and Design: Can you listen to the music like Melody in the video and use different types of line to express how this music makes you feel. https://www.youtube.com/watch?v=aZUv4Bn2mWQ
