Remote Learning

Year Group: Text here

Week beginning: Text here

In addition to the lessons added on Seesaw, you can choose to access some extra websites or resources:

Spelling Task

Each week there will be a spelling activity set for you on spelling frame. This needs to be completed by Friday of every week. There are lots of games on spelling frame for you to practice 😊

www.spellingframe.co.uk

Reading Challenge:

Each week your teacher would love a video clip or voice recording of you reading your reading book. It might be a home book you are enjoying or a bugclub book. Please send a clip of you reading 2 pages of your reading book.

There is also a weekly guided reading task that will be shared on Seesaw. Your class teacher will be reading a story and sharing a chapter of the book each day 😊

Maths

MyMaths.co.uk- You teacher will add a task **each Friday** on MyMaths which will be linked to the lesson that day but you can always do more on there and play the maths games too! www.mymaths.co.uk

Weekly art challenge

As a school we will be setting a weekly art challenge. Please send in any pieces of artwork before Friday as Miss Tarr will be sharing a few pieces each week in the newsletter.
